

SHELTER COVE HOA

ARCHITECTURAL REVIEW COMMITTEE

DATE: January 17, 2020

TO: Shelter Cove Homeowners

SUBJECT: Yellowstone Information

1. Nick Godfrey is the new Yellowstone Account Manager for Shelter Cove HOA, replacing Dusty Hallman. Nick's contact information is ngodfrey@yellowstonelandscape.com Phone: 386.437.6211 Cell: 386-290-7033. We welcome Nick as an important service provider for our community.
2. Yellowstone is considering a second round of mulch for individual homeowners, which is outside of the Yellowstone contract with the HOA for landscape services. Yellowstone will quote this work for individual homeowners. If you missed the last round or want additional mulch, please contact Nick directly.
3. As announced earlier, homeowners requesting ongoing or one-time special services for their property (e.g. trimming palms, upgrading irrigation controls, mowing with a push-mower, installing bed edging, re-sodding, replacing dead or declining plantings, etc.), Yellowstone is willing to quote this work on an individual basis for each homeowner. If interested, please contact Nick directly.
